MEET WITH A
DIFFERENCE

a space concept hosting events and meetings
with a creative bent

apbcOffices

Located exclusively at 75 High Street, apbcOffices' upmarket Face to Face is a space concept hosting events and meetings with a creative bent. In the middle of city convenience, yet away from the bustling pace, be greeted by our Concierge before tumbling down the rabbit hole into this eccentric centre of the universe.

Stark shiny black and white walls and handpicked designer elements provide you an awe-inspiring out-of-the-box setting to stimulate conversations, launch new products, engage in intimate brainstorming, or whatever your reason to meet that special prospect face to face.

WE INVITE YOU TO MEET US FACE TO FACE.
